

## RIMPAC 22

**Sponsors:** U.S Indo-Pacific Command

**Objectives:** RIMPAC is a large scale international maritime exercise with at-sea training events, providing a unique training opportunity that strengthens international partnerships, interoperability, and readiness of participating forces for a wide range of potential operations. The initial planning conference was held recently in June 2021 and hosted by U.S. Third Fleet. RIMPAC 2022 is currently scheduled to be in-person.

**Location:** Conducted around Hawaiian Islands

**Challenges:** Exercises are at-sea only, submissions should be timely.
