

JIFX

Sponsors: Joint Interagency Field Experimentation (JIFX) is sponsored by the Naval Postgraduate School.

Objectives: Provide field experimentation resource for Unified Combatant Commands and federal agencies. Afford opportunities for NPS faculty and students to develop and test new technologies and the operational community a platform to utilize and experiment with these technologies.

Location: Monterey, CA, Camp Roberts, & San Clemente Island

Entry Criteria: Low barrier; everyone is welcome to apply to the event. Submission is continuous.

Challenges: Must provide your own resources outside basic communications infrastructure.
